CREATE MEMORABLE FOOD MOMENTS

Making great food look beautiful has always been one of Denby's core values and research shows that nearly half of us think the way our food is presented is just as important as how it tastes.

As trends move away from plain white ware into more interesting plates and bowls which showcase dishes in both hospitality and in the home, Denby's artisan handmade ranges of beautiful and unique tableware and crockery are eminently placed to provide a beautiful canvas for all kind of cuisines.

The hardy Derbyshire clay, the secret glaze recipes and the generations of craftsmanship along with the magic that happens in the kiln creates a parallel with the work of the chef – quality ingredients, expertly combined then brought out of the oven to create memorable food and drink moments that your diners will love.

MAKING STONEWARE IN DERBYSHIRE

SINCE THE INDUSTRIAL REVOLUTION

Denby have generations of hard-won experience using local iron-rich clay and unique glaze recipes to create beautiful, durable tableware.

Still using many traditional hand-crafting techniques and time-honoured skills, each piece passes through at least 20 pairs of hands before it gets the Denby stamp of approval.

The Denby approach has always been about creating beautiful and practical tableware that's designed for modern life; ranges which can be confidently used in the oven, dishwasher, microwave and freezer, and do the job from Tuesday tea to Friday night to Sunday lunch...

Tough enough for everyday and stunning enough for any dining occasion.
